

Tournament operations, simplified.

Check in officials. Coordinate referee coaches. Build a useful ratings history.

Pilot-ready web platform

Two jobs. One clear event-day view.

CHECK-IN

- **Flexible arrival workflows**

Account-based or external QR check-in, plus manual staff controls.

- **Live attendance visibility**

See who is expected, checked in, or still missing - with time and method recorded.

- **Built for tournament day**

Mobile rosters, schedule access, filters, and printable QR sheets.

COACHING + RATINGS

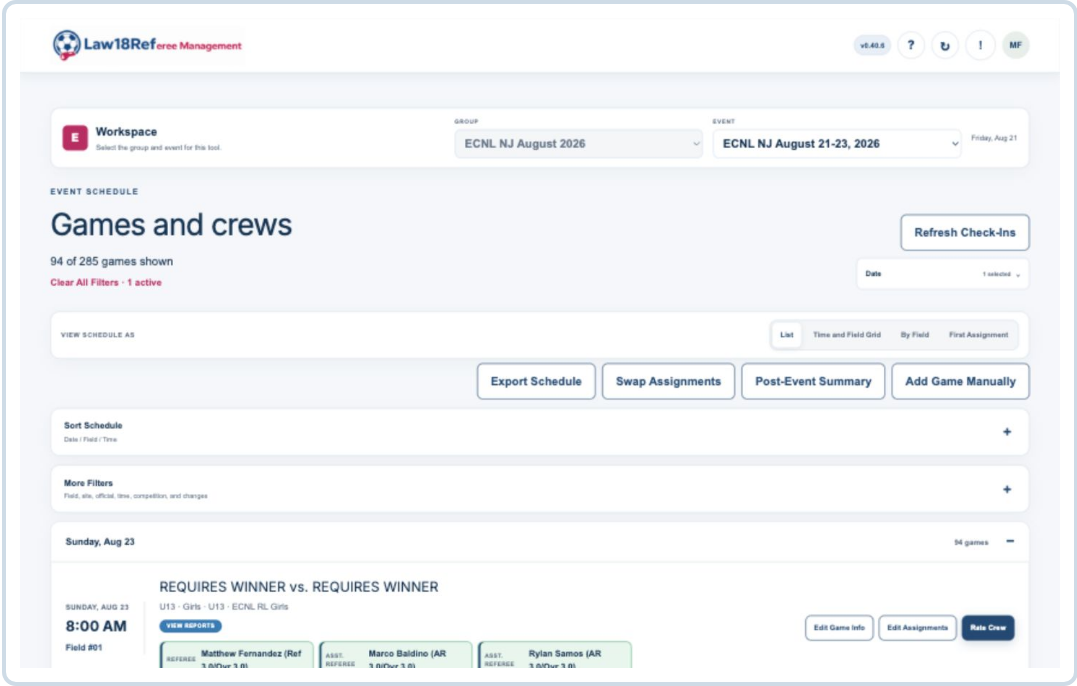

Assign coaches across selected games, sites, dates, and times.

Capture Basic or Skills evaluations, control visibility, review history, and export results for analysis.

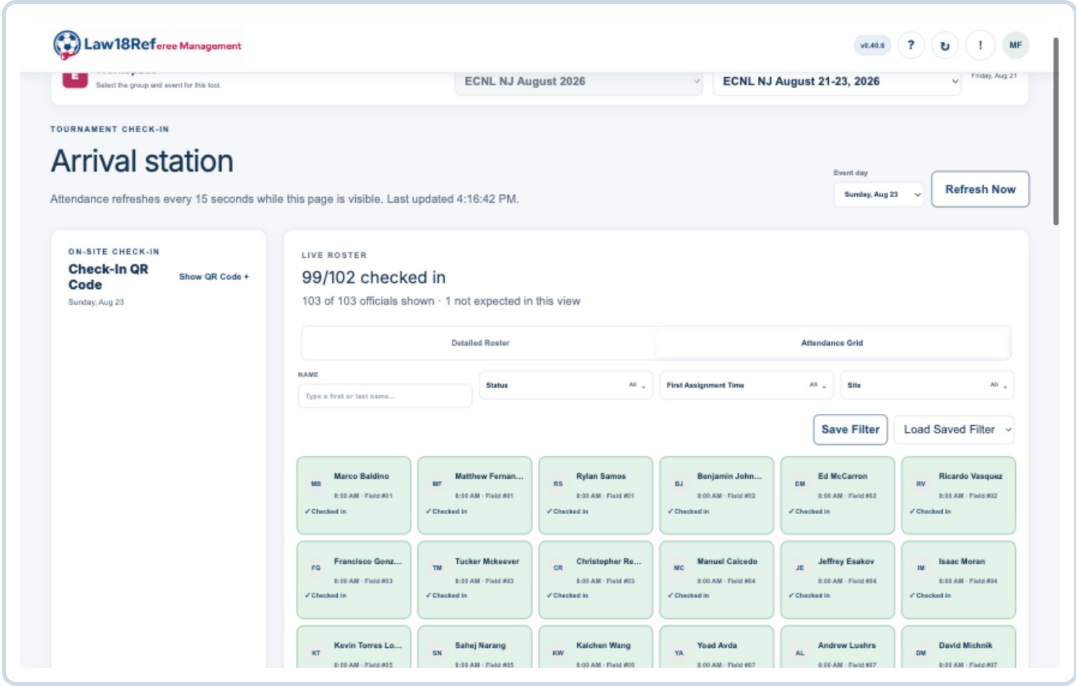

Private by default. Share only what each role may see.

The event-day picture stays visible.

Schedule and crew detail

Arrival status at a glance

Staff can move from the posted schedule to live attendance without rebuilding the event in a second tool.

Scan, identify, confirm - with the referee's schedule shown immediately.

BASIC EVAL

The screenshot displays the 'BASIC EVAL' 'Rate Crew' form within the Law18Referee Management System. The form is titled 'Rate Crew' and includes a 'Game' dropdown set to 'Friday, Aug 21 - Field #01 - 8:00 AM' and a 'Visibility' dropdown set to 'Private - event staff and referee coaches'. A yellow message bar states 'Visibility is locked to event staff for this event.' Below this, a table lists three referees: Jacqueline Karcic (JK), Marjan Josifoski (MJ), and Cynthia Silva (CS). Each referee has a 'Rating' dropdown set to 'N/A' and a 'Notes' text area. At the bottom of the form are buttons for 'Save crew draft' and 'Submit all ratings'. The background shows the 'Ratings' section of the system with a 'Rating configuration' panel and a 'History' section showing a '560 matching rating' and an 'Average Score' of '2.86'.

Fast 1-5 rating plus notes

SKILLS EVAL

The screenshot displays the 'SKILLS EVAL' 'Rate Crew' form within the Law18Referee Management System. The form is titled 'Rate Crew' and includes a 'Game' dropdown set to 'Friday, Aug 21 - Field #01 - 8:00 AM' and a 'Visibility' dropdown set to 'Private - event staff and referee coaches'. A yellow message bar states 'Visibility is locked to event staff for this event.' Below this, a table lists two referees: Jacqueline Karcic (JK) and Marjan Josifoski (MJ). Each referee has a 'Rating' dropdown set to 'N/A' and a 'Notes' text area. The form also includes a 'Rating configuration' panel with dropdowns for 'Match Control', 'Teamwork', 'Positioning and Movement', and 'Additional Comments/Suggestions'. At the bottom of the form are buttons for 'Save crew draft' and 'Submit all ratings'. The background shows the 'Ratings' section of the system with a 'Rating configuration' panel and a 'History' section showing a '560 matching rating' and an 'Average Score' of '2.86'.

Role-specific scoring and written feedback

Custom evaluation formats can be made available for a group's workflow.

Start small. Prove the workflow.

Law18Ref supports a focused tournament pilot today.

- **Import schedules and officials**
- **Run check-in and attendance**
- **Coordinate coaches and ratings**

Exploring what comes next

Messaging and full assignment tools are potential future additions being explored - not committed product promises.
