

GROUP ADMIN QUICK GUIDE

Manage group members, events, permissions, records, and day-to-day operations across the group.

1 Sign In or Create Your Account

ALREADY HAVE AN ACCOUNT

Go to law18ref.com. Enter your primary email and password, then select Sign In. Use Set or reset your password if needed.

NEW TO LAW18REF

Select New referee? Create an account. Enter your full name, the exact primary email your admin has on file, and a password of at least 8 characters.

If an admin already created your official record, using the same primary email links your new login to that existing record.

2 Open the Group

Use the workspace selector to choose the group you administer, then select an event when a tool needs event context.

3 Manage Officials

Open Officials to add, import, export, edit, merge, archive, or remove members. Use Event Access for event-specific roles.

4 Manage Events

Create events, import schedules, configure settings and documents, archive completed events, or restore archived events.

5 Oversee Operations

Use Schedule, Assignment Board, Check-In, and Coaching to monitor staffing and make authorized event-day corrections.

6 Review Ratings and Activity

Configure rating tools, filter or export history, approve public ratings when required, and review the Activity audit log.
