

SITE SUPERVISOR QUICK GUIDE

Monitor a site, manage arrivals, review staffing, and respond to event-day changes.

1 Sign In or Create Your Account

ALREADY HAVE AN ACCOUNT

Go to law18ref.com. Enter your primary email and password, then select Sign In. Use Set or reset your password if needed.

NEW TO LAW18REF

Select New referee? Create an account. Enter your full name, the exact primary email your admin has on file, and a password of at least 8 characters.

If an admin already created your official record, using the same primary email links your new login to that existing record.

2 Select the Event

Use the workspace selectors to open today's group and event. Your access is limited to the dates and sites assigned to you.

3 Review Staffing

Open Assignment Board or Schedule. Filter by venue, and group the schedule by field or time. HQ entries remain visible.

4 Manage Check-In

Open Check-In to monitor arrivals, filter by status or field, and manually check an official in or undo a check-in.

5 Open Official Details

Select an official's name to view their full event schedule and contact details, including games outside your managed site.

6 Handle Changes

Orange schedule markers indicate unconfirmed changes. Edit Assignments only when that permission was enabled for you.
