

REFEREE QUICK GUIDE

See every Law18Ref assignment, check in on event day, and review evaluations shared with you.

1 Sign In or Create Your Account

ALREADY HAVE AN ACCOUNT

Go to law18ref.com. Enter your primary email and password, then select Sign In. Use Set or reset your password if needed.

NEW TO LAW18REF

Select New referee? Create an account. Enter your full name, the exact primary email your admin has on file, and a password of at least 8 characters.

If an admin already created your official record, using the same primary email links your new login to that existing record.

2 Start at Dashboard

Your Dashboard lists linked groups and events. Referees do not need to keep a group or event selected as active.

3 View My Assignments

Open My Assignments for one list of all Law18Ref games. Use filters for dates, groups, events, or connected calendars.

4 Check In

When an assigned event requires check-in, open Check-In, tap Scan QR Code, and scan the code displayed by event staff.

5 Review My Evals

Open My Evals to read public ratings shared with you. A notification badge appears for a new or updated evaluation.

6 Update Account Info

Open your initials menu, then Account Settings, to maintain required contact details and personal calendar feeds.
